## WHISTLEBLOWER POLICY AND PROCEDURES

### BACKGROUND

Title 12 of Article 9 of the Public Authorities Law requires the NYS Authorities Budget Office and the NYS Office of the Attorney General to develop a whistleblower access and assistance program.

The purpose of the program is to provide board members, management and staff of state and local public authorities with a confidential means to report credible allegations of misconduct, wrongdoing, or unethical behavior and to protect these individuals, when acting in good faith, from personal or professional retaliation.

To this end, a model whistleblower policy was developed for public authorities to use when developing their own specific policy.

### PURPOSE & APPLICABILITY

It is the policy of the NYS Thoroughbred Breeding and Development Fund (the Fund) to afford certain protections to individuals who in good faith report violations of the Fund's Code of Ethics or other instances of potential wrongdoing within the Fund.

The Whistleblower Policy and Procedures set forth below are intended to encourage and enable employees to raise concerns in good faith within the Fund, without fear of retaliation or adverse employment action.
