

NYRA Launches \$125 Deposit Match Promotion

Courtesy HorseRacingNation.com

The New York Racing Association, Inc. (NYRA) announced that beginning Thursday, June 25, individuals signing up for a new NYRA Wagering Account will be eligible to receive a sign-up bonus up to a \$125 in the form of a deposit match.

In order to qualify, new members must make a deposit into their NYRA Wagering Account within seven days of account creation and then have a week to wager at least the amount of that initial deposit. Once a new customer has done this, they will receive a sign-up bonus matching the amount of their initial deposit, not to exceed \$125.

Sign-up for a NYRA Wagering Account is free and wagers can be placed on-track, online at NYRA.com or through a mobile device at m.nyra.com.

The \$125 match deposit excludes show wagering and all wagers placed by phone with a live operator. The match bonus received will be deposited as a wagering credit and is not eligible for withdrawal until it has been wagered once. Limit one sign-up bonus per family/household.
