

Rules for use of e-signatures:

- (1) If you have started an application not using e-signatures but have not completed it, it must be completed prior to beginning an application using e-signatures.
- (2) If you are not certain whether your farm manager and attending veterinarian are included on our dropdown lists, ***click here*** to see the lists. If your farm manager or attending veterinarian is not on the list, ***click here*** to submit an E-Signature Registration or go to the Fund website (NYBreds.com) under Registration -> E-Signature Registration.
- (3) All applications submitted as a group must have the same signatories (same farm manager and veterinarian).
- (4) The application must be paid for before you log off.
- (5) Upon submission of the application, the farm manager and veterinarian designated will be sent an email to provide their e-signatures.
- (6) If the breeder's electronic signature is not submitted, no e-mails will be sent to the farm manager or attending veterinarian. To submit signatures in such a case, print a hard-copy application from the website, sign and mail, fax or email to the Registrar.
- (7) E-signatures cannot be used for stallion applications.
